

Exam: Transesophageal Echocardiogram (TEE)

- Do not eat or drink six hours prior to your test.
- Do not drive for 24 hours after your exam. You will need someone to drive you home following the test.
- Make sure your primary care physician or the physician ordering your test has sent / faxed a recent patient history and physical to “CVI, Attn: Darla Hitt” @ 744-3281 prior to the appointment.
- Please arrive at the cath lab one hour prior to your appointment.

Please call St. John Cardiovascular Imaging (CVI) at (918) 744-2828 with any questions.
